TM

HSI-MLxxxxx

- Use to lift and transport steel and iron for
Factories, docks, warehouses, transportation
And more.
- Turning the manual handle activates or turns
Off the magnet.
- Strong attraction gives this tool a powerful lifting
Ability while it's small size and light weight
Makes it easy and safe to operate. Effective for
Long periods with no need for a power supply.
- Permanent magnet.
- Safety Factor 3.5
